Re: HB 1491

Signed: June 6, 2017

Effective: Immediately

Topic: Child Care Facilities Licensing Act

Summary: HB 1491 amends existing law regarding child care facility licensing. The changes now exempt the following facilities from the requirements of the Act:

- summer camps for children who are 4 or older
- facilities which care for school aged children less than 21 hours weekly if the center is located in a county of less than 100,000

No changes are anticipated for any policy or procedure but technology centers with child care programs should review these revisions.
