Re: HB 1668

Signed: May 1, 2017

Effective: Immediately

Topic: Gifts to Student Athletes

Summary: HB 1668 amends existing law regarding gifts to student athletes. The revisions eliminate the requirement that the district provide annual notice to student athletes about the possible eligibility consequences of accepting gifts.

Districts should eliminate the forms developed in 2016 to provide this notice. Districts should also review their athletic handbooks and procedures to ensure there are no references to this requirement contained within those documents.
