RED BANNER UPDATE

Date: May 5, 2017

Re: SB 0045

Signed: April 24, 2017

Effective: Immediately

Topic: Services to OSDE

Summary: SB 0045 creates new law and amends existing law to permit OSDE to contract with current or former district educators. These contracts are specifically excluded from competitive bidding requirements and any money paid to the educator as a result of such a contract cannot be used to calculate the individual's minimum salary requirements.

No changes are anticipated for any district policy or procedure.
