RED BANNER UPDATE

Date: June 9, 2017

Re: SB 0845

Signed: May 31, 2017

Effective: 90 days after adjournment

Topic: No smoking signs

Summary: SB 0845 creates the Smoking Cessation and Prevention Act of 2017. The bill is widely known for its \$1.50 fee per pack of cigarettes, but the bill also creates new obligations for posting no smoking signs. Previously signs had to be posted at entrances but now those signs have to be conspicuous signs. Additionally, conspicuous signs now have to be posted in prominent locations within the building. The revisions do not define “conspicuous.”

No changes are anticipated for any district policy or procedure.
